

I have Coronavirus

Coronavirus is a new virus.
Coronavirus is also called COVID-19.

I am sick. I have a cough and a fever.
It is hard for me to breathe.

I went for a test. The test said that I
have Coronavirus.

I need to stay at home until I am
better.

I might need to stay in a special room
while I am sick.

	<p>I need to stay away from other people so they don't get Coronavirus too.</p> <p>I will not be able to see my friends and family for a while.</p>
	<p>I need to use my own bathroom that no one else uses.</p>
	<p>I should clean my hands often.</p>
	<p>I should wear a face mask when staff are in my room.</p>
	<p>Staff will help me to get better.</p>
	<p>Staff will have to wear funny clothes while I am getting better. This is to protect them from getting Coronavirus.</p>

	<p>They will wear an apron or a special suit.</p>
	<p>They will wear gloves.</p>
	<p>They will wear a mask.</p>
	<p>They will wear special glasses called goggles</p>
	<p>Staff will look different when they are wearing these clothes. That is ok!</p>
	<p>Staff will clean everywhere that gets touched (like door handles and counter tops).</p>
	<p>I will see my friends and family when I am better.</p>
