# 1. Assessment Overview

Using Technology M1T10 is a QQI Level 1 minor award. At QQI Level 1, a student is graded as Successful or Referred:

**Successful** means that all the learning outcomes from the Component Specification have been demonstrated to an appropriate standard in the Students Portfolio of Assessment.

**Referred** means that the portfolio of assessment needs further work by the student before they can demonstrate the standard and achieve certification from QQI. When a student has not achieved the minimum standards for an award the grade is recorded as referred.

This minor award contains the following assessment technique:  
Portfolio Collection of Work (100%)

This minor award is assessed by a portfolio or collection of work. This is a collection of work produced by the learner over a period of time that demonstrates achievement of a range of learning outcomes.

All learning outcomes must be achieved to get a Successful grade.

Learners will be given an assessment completion date by their course tutor. **If learners do not complete their assessment by this date, they will be given a referred result.**

## **1.1 Assessment Criteria for Tutors**

Tutor best practice is to ensure that all learners have the opportunity to demonstrate their learning, carry out each assessment and present it to the best of their ability.

Each module/course will have an assessment framework and a range of assessments and tasks for learners to complete.

The assessment brief clearly communicates to learners all assessments and learning tasks that need to be successfully completed to obtain the respective QQI qualification.

The assessment brief is structured to support learners to engage with and complete all module/course learning outcomes.

## **1.2 Assessment Brief**

The assessment brief must be clearly laid out for the learner.

The assessment brief and agreed deadline must be communicated to the learner by the course tutor.

Learning outcomes must be mapped in the assessment.

The marking allocation for assessment must be clearly stated on the assessment brief.

## **1.3 Learner Declaration**

Learners must ensure that all work presented is learner's own work. The learner will sign the learner declaration section. Signing this section means that learners confirm the coursework and assessment submitted is their own.

When all assessment work has been submitted the course tutor must ensure each learner signs the learner declaration section in the course assessment brief.

## 1.4 Assessment Overview

The assessment overview section in the assessment brief must be signed by **both the course tutor and the learner**.

The date the assessment brief was given to learners must be recorded.

The date all assessments were returned to the course tutor must be recorded.

This recording process ensures that the assessment brief has been distributed to the learner by the tutor and all assessment task elements have been submitted by the learner.

## 1.5 Tutor Marking Review

Some courses may have a course assessor who is not the course tutor.

The course assessor must be clearly identified in the assessment grading and recording process.

In the tutor marking review section of the assessment brief tutors/assessors must confirm that they have graded all assessment task elements and course assessments.

Tutors/assessors must clearly document if the learner has or has not completed all assessment tasks successfully.

## 2. Grading and Feedback

### 2.1 Grading

Assessors must complete all elements of the course marking sheet to award the learner their course grade.

Assessors will grade using the specified grading bands and outline the following:

**The Assessment Criteria** – Outline the learning outcome(s) the assessment is being graded against.

**Allocation of Marks** – Assessors will tick if the learning outcome has been achieved through successful completion of the relative assessment.

**Evidence of Assessment** – This must include the Assessment Title and Number. If there is an affiliated worksheet or handout allocated to the assessment the worksheet number must also be clearly outlined.

**Grade Awarded** – Assessors must specify the grade awarded and sign to validate the grade given to the learner. Date of grade issue records the date the grade was awarded by the course tutor.

### 2.2 Learner Feedback

Assessors must record the mode of feedback and date of feedback issue to the learner.

Overall course feedback to learners should contain the grade awarded to the learner as well as specific assessment related portfolio of work /skills demonstration feedback.

Feedback should be communicated in line with the learner's own preferred communication method and in line with SJOGCA13 Policy on using a Total Communication Approach.

### **3. Internal and External Verification**

The course assessor must follow the process of preparing for internal and external verification.

All learner portfolios and assessment must be presented by the course assessor for internal/external verification.

The assessor is required to complete the course assessor section of the Lifelong Learning Internal Verification Submission Checklist. (See Appendix 1).

The assessor must present each learner portfolio as follows:

#### **Portfolios**

1.     a) Module Name  
       b) Module Code  
       c) Learner Name
2. Completed assessment brief signed by the learner and tutor/assessor.
3. Completed marking sheet to include grading and feedback signed by module(s)/course assessor.
4. Evidence of learner assessment work – Clearly signposted and audio-visual work stored in the appropriate online location.

## 4. Learning Outcomes Mapping

|                              |                   |
|------------------------------|-------------------|
| <b>Award Title:</b>          | Using Technology  |
| <b>Award Type:</b>           | Minor             |
| <b>Framework Level:</b>      | 1                 |
| <b>Award Code:</b>           | M1T10             |
| <b>Credit Value:</b>         | 5                 |
| <b>Assessment Technique:</b> | Portfolio of Work |

Please note below all learning outcomes that must be achieved and evidenced for a learner to achieve a successful grade.

| <b>Module Learning Outcome</b>                                                                                                                                                  | <b>Assessment Technique(s) / Tasks</b> |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------|
| LO 1 Identify technology in common use.                                                                                                                                         | Assessment 1                           |
| LO2. Identify the symbols on familiar technological devices, e.g. on/off switch, temperature symbols.                                                                           | Assessment 2                           |
| LO3 Use simple technological equipment for home/personal and workplace/educational use, requiring up to two functions, e.g. household appliance, telephone, swipe/clock system. | Assessment 3                           |
| LO4 Pay attention to safe practice.                                                                                                                                             | Assessment 4                           |

## 5. Staff Supporting Assessment Agreement

(Only to be completed by staff who are supporting learners availing of learning support to complete assessment)

| <b>Supporting Staff Agreement<br/>I will:</b>                                                                                                                                                                          | <b>Initial</b> |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Agree a time with the learner to provide learning support in order to assist the learner's independent completion of course and assessment related work.<br>To add this learning support time to our weekly timetable. |                |
| Support the learner to ensure they have signed and dated their assessment brief                                                                                                                                        |                |
| Support the learner to record their assessment submission date, deadline and encourage contact with tutor if required                                                                                                  |                |
| Encourage the learner to keep work safe and secure at all times                                                                                                                                                        |                |
| Support the learner to complete student feedback and course evaluation                                                                                                                                                 |                |
| Facilitate independent learning activities                                                                                                                                                                             |                |
| Encourage learning opportunities and skills use from course where appropriate                                                                                                                                          |                |

## 5.1 Assessment Brief – Using Technology

|                                        |                                                                                                                   |
|----------------------------------------|-------------------------------------------------------------------------------------------------------------------|
| <b>Learner Name:</b>                   |                                                                                                                   |
| <b>Module:</b>                         | Using Technology                                                                                                  |
| <b>Module Code:</b>                    | M1T10                                                                                                             |

There are 4 **assessments** for you to complete as part of your portfolio of work for your module Using Technology

You can present your work in the way that works best for you.

***Making a Poster***  
***Making a Video***  
***Using Worksheets***  
***Group discussions.***

You must complete all the 4 **assessments**

|                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                          |
|------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|   | <p><b>Guidelines:</b></p> <p>Within this module you will become familiar with using technology as part of everyday life tasks. You will identify symbols on devices, use simple equipment and pay attention to safe practice.</p>                                                                                                                                                                                        |
|  | <p><b>Criteria:</b></p> <p>UT1 -Identify technology in common use.</p> <p>UT2 -Identify the symbols on familiar technological devices, e.g. on/off switch, temperature symbols.</p> <p>UT3 -Use simple technological equipment for home/personal and workplace/educational use, requiring up to two functions, e.g. household appliance, telephone, swipe/clock system.</p> <p>UT4 - Pay attention to safe practice.</p> |

## ***Title Assessment 1 – UT1: Guidelines***

You will need to identify technology in common use.

### **How Will You Do This:**

#### **Activity One:**

- You will take part in a discussion about the technology you use daily.
- You can complete relevant work sheets that help you identify different technology.

### **How Will You Do This:**

#### **Activity One:**

- You will need to have an open discussion with your classmates about different technology that is available to you.

#### **Activity Two:**

- You will need to complete relevant worksheets that are relevant in common use.

### **Learning Outcome:**

Recognise and identify technology in every day common use.

### **Title Assessment 2 – UT2:** **Guidelines:**

Identify the symbols on familiar technological devices.

### **How You Will Do This:**

#### **Activity One:**

- You will learn about different symbols that are displayed on different technology items.

#### **Activity Two:**

- You will make a poster showing all the different symbols on the devices that you are familiar with

### **How Will You Do This:**

#### **Activity One:**

- You will complete the relevant worksheets about the different symbols on devices.

|                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

73

### **Activity Two:**

- You will need to complete relevant worksheets that will help you understand the importance of knowing how to use technology at home and in your training centre.

### **How Will You Do This:**

#### **Activity One:**

- The group will source have an open discussion about the different technology in your home and at your training centre.

#### **Activity Two:**

- You will complete important work sheets to help you identify the importance of using technology in your home and training centre.

### **Learning Outcome:**

Knowing the importance and being able to use technology independently in the home or training centre.

## ***Title Assessment 4 – UT4:***

### ***Guidelines:***

You will need to pay attention to safe practice when using technology.

### **How You Will Do This:**

#### **Activity One:**

- You will need to complete relevant worksheets that will help you identify safe practice towards technology.

#### **Activity Two:**

- You will have to video record yourself using technology in the community.

#### **Activity Three:**

- You along with your friends will go down to your community and take note of any technology you may see.

## **How You Will Do This:**

### **Activity One:**

- Activity sheets will help you identify what safe practice is while using technology.

### **Activity Two:**

- Your staff will record you using technology independently in your local community.

### **Activity Three:**

- Observe technology and record with on your worksheets what technology you see in your community.

### **Learning Outcome:**

Being able to show safe practice of technology in your community.

## Appendix 1: Submission Checklist for Course Assessor and Internal Verifier

| Information Needed                                                                            | Details | Assessor check | Internal Verifier check |
|-----------------------------------------------------------------------------------------------|---------|----------------|-------------------------|
| <b>Assessor Responsibility</b>                                                                |         |                |                         |
| Name of component(s) and component codes being assessed.                                      |         |                |                         |
| Learner Name                                                                                  |         |                |                         |
| Date of Assessment                                                                            |         |                |                         |
| Is the portfolio corrected?                                                                   |         |                |                         |
| Is DOB and PPS sent to QQI coordinator/included if first time being assessed?                 |         |                |                         |
| Is there evidence of all LOs included and are they clearly marked?                            |         |                |                         |
| Is audio visual evidence stored in the appropriate online location?                           |         |                |                         |
| Are all elements of the marking sheet completed i.e. all LOs ticked and proper code included? |         |                |                         |
| Has Learner and Assessor signed all relevant sections the assessment brief?                   |         |                |                         |
| Is assessor feedback included in portfolio?                                                   |         |                |                         |

| <b>Internal Verification Responsibility</b>                                                  |  |  |  |
|----------------------------------------------------------------------------------------------|--|--|--|
| Is portfolio clearly labelled and in the appropriate folder?                                 |  |  |  |
| Has label been printed and attached with Learner Name, Title of Component and code on Label? |  |  |  |
| Are audio visual elements of portfolio stored in the appropriate online location?            |  |  |  |
| Has the tutor given the I.V. the correct Assessment Brief and Marking Sheet?                 |  |  |  |
| Is the record of Award and component in the results pack?                                    |  |  |  |
| Is the I.V. report completed and included in the results pack?                               |  |  |  |
| Is the Assessment Brief and Marking sheet for each component in the results pack?            |  |  |  |
